

Cadet Agreement
Bearden High School NJROTC Program

In accordance with the Navy instruction governing the Navy Junior Recruit Officer Training Corp (NJROTC), CNET Instruction 1533.9, all cadets must meet the minimum standards in order to participate in the program. Those minimum standards are as follows:

- a. Be enrolled in and attending a regular course of instruction at the school hosting the unit, in a grade 9 through 12.
- b. Be a U.S. citizen or national or alien lawfully admitted to the U.S. for permanent residence.
- c. Be selected by the NJROTC instructor with the approval of the school principal or his/her representative.
- d. Comply with the personal grooming standards as set forth in the "NJROTC Cadet Field Manual," NAVEDTRA 37116 series. Common sense and good judgment should be used to attain these standards. Standards will not be relaxed as to reflect discredit on the Naval service.
- e. Be physically qualified to participate fully in the physical education program in the school. This includes maintaining a current physical and screening form, authorizing participation in physical training.
- f. Maintain acceptable standards of conduct, including being free from any suspension or expulsion.
- g. Maintain acceptable standards of academic achievement and academic standing that warrants at least normal progression leading to graduation.

Any cadet in violation of the above guidelines is subject to disciplinary action. The Naval Science Instructor (NSI) with the approval of the principal, is authorized to place on probation, any cadet who has academic deficiencies, fails to maintain standards of grooming, wearing of the uniform, or conduct prejudicial to the program. Cadets placed on probation shall be notified in writing, with a copy placed in their NJROTC record and parents notified.

Furthermore, a cadet may be disenrolled by the NJROTC instructor, with the approval of the principal, for any of the following reasons:

- a. Failure to maintain the standards required for enrollment
- b. Lack of aptitude, indifference to training, disciplinary reasons, or undesirable traits of character
- c. Failure to meet the terms of probation or to correct the deficiency for which placed in a probationary status
- d. Disenrollment from the school
- e. Request of the individual student per Bearden student disenrollment instructions

In addition, there are three events during the school year each cadet is required to attend, Annual Military Inspection (AMI) which takes place during school hours, Award's Ceremony near the end of the school year, and Veteran's Day Parade. These events are mandatory. Student grades will reflect their participation.

These guidelines and disciplinary procedures are in place to ensure the unit and program maintain the highest degree of professionalism and moral standards for the enrichment of all cadets. This is in addition to positively representing the United States Navy and Bearden High School.
